My dear Harold, Had a letter from you yesterday dated Sept 25th (the only ^{to arrive} one so far). Glad you're all well. Many thanks for the music - not arrived so far. Am kept very busy here doing orchestrations etc. although I can't play at the moment as my band is out of order. Hope to hear from you again sometime, Roy

My dear Harold. Was very glad to hear from you & delighted that you've got a job in the "Temple of Youth" organisation - just your cup of tea I should think. Am with a very nice lot of chaps at the moment & we have some amusing times reorganising the world to suit our own ideas. Not getting much music, just news, but conditions are always changing. Love to you all. Roy

My dear Harold, Thanks for your Aug. letter. Was glad to hear you're all fit & that Roger is doing so well with his music. I'm getting plenty of music, here, just now. We are running a small choir for the Catholic services & sing a lot of plainsong, Palestrina & such - lovely stuff! And I still have a band which plays from time to time. All the best Roy

My dear Helen, Thanks for your letter sent July 15. I'm glad you like your new home. It must be very nice to be in the country away from all the goings-on, though I expect there are plenty of things to remind you that a war is on. Had a splendid parcel of music from Harold, just what we wanted. Love to all Roy
